TO OUR CUSTOMERS: The information in this flyer reflects the information available at the time of its conception. If, despite our vigilance, it contains some errors, a notice will be printed in store and/or online if applicable. If the description of items differs from what is illustrated, the description prevails. Product selection and services offered may vary by store. For reasons beyond our control, we sometimes have to change a product's specifications or have it replaced. Limit of 15 units for each product on promotion. The prices advertised in this flyer are valid from May 16 to 22, 2024. Taxes are not included in our prices. The "Regular Price" mention refers to RONA's regular price at which goods/services are ordinarily offered for sale. Please note that this can result in a difference in the amount or percentage of savings indicated in this flyer depending on your selected store. We offer a price match hassle free policy, which is subject to terms and conditions that are available here://www.rona.ca/en/in-store-price-guarantee. The promotions advertised in this flyer cannot be used in conjunction with the following products and/or services: extended protection plans, installation, shipping, assembly, rentals, cut-shop service, delivery charges, service purchases, labour, tool rentals or previous sales. Only purchases at regular price paid in cash, debit or credit card are eligible for promotions. Gift card, special orders or purchases made with in-store accounts by clients with a specific contractual agreement executed with RONA are not eligible for promotions.

The delays to receive your appliances will vary depending on the region, the store and the product purchased. Certain conditions and restrictions apply. Contact your RONA participating store to know all the details and to make sure that the delivery service is available for your region.

RONA strives to offer you its everyday competitive prices with its Policy. If a Competitor offers a lower price (including any and all fees charged by the Competitor, if applicable) for an identical product (brand, size, model, number) in-stock and available for sale by both the Competitor and RONA at the same time, RONA will match said Competitor's lower price. In the case of major appliances, the Policy only applies if the Competitor's price for the major appliance is more than \$ 1.00 lower than the price of RONA, in which case RONA will match the Competitor's price, and grant an additional 10 % off. Simply provide us with a tangible and satisfactory proof of the Competitor's lower price you have found. RONA reserves its rights to verify whether the Competitor offers a lower price for an identical product prior to apply the Policy, and to limit its application to a maximum of 15 items of a given product. The Competitor's close-out prices, errors in prices, misprints, discontinued, used, refurbished or damaged products prices, clearance offers, liquidation offers, special orders prices (with the exception of Special Orders on major appliances), limited time sales prices (including but not limited to all Black Friday/Cyber Monday related sales prices and all Boxing Day/Week related sales prices), members only prices, employee prices, military prices, senior citizen prices, gift cards, gift with purchase offers, mail order offers, free or bonus offers, coupons and manufacturer rebates, limited or minimum quantity offers, financing offers, quotes and bids, services such as shipping, delivery, rental, assembly and installation, products provided by our installation services, prices from bid and auction websites, prices found on closeout/discount websites, and prices of third-party marketplace sellers are excluded from the Policy. The Policy cannot be combined with any other offer. The prices featured on RONA.ca may differ from the prices shown in-store for the same products. Other conditions apply.
